

What to Bring

We are excited that you will be joining us at the strength2thrive conference! To make sure you are completely ready, we have put together this short list of what you can bring.

1. Your Bible
2. Pen/Pencil
3. A sweater or light jacket in case it gets cool in the building
4. And maybe a bit of extra money if you'd like to purchase some *Planting Roots* goodies!

At the conference, you will receive a cute bag, handouts and note-taking materials, your t-shirt (if you ordered one with your registration), and other goodies from our partner ministries. We look forward to a great time of connection, encouragement, worship, and learning. So glad you are joining us for this adventure!
